Hello Mr. Shape Head.

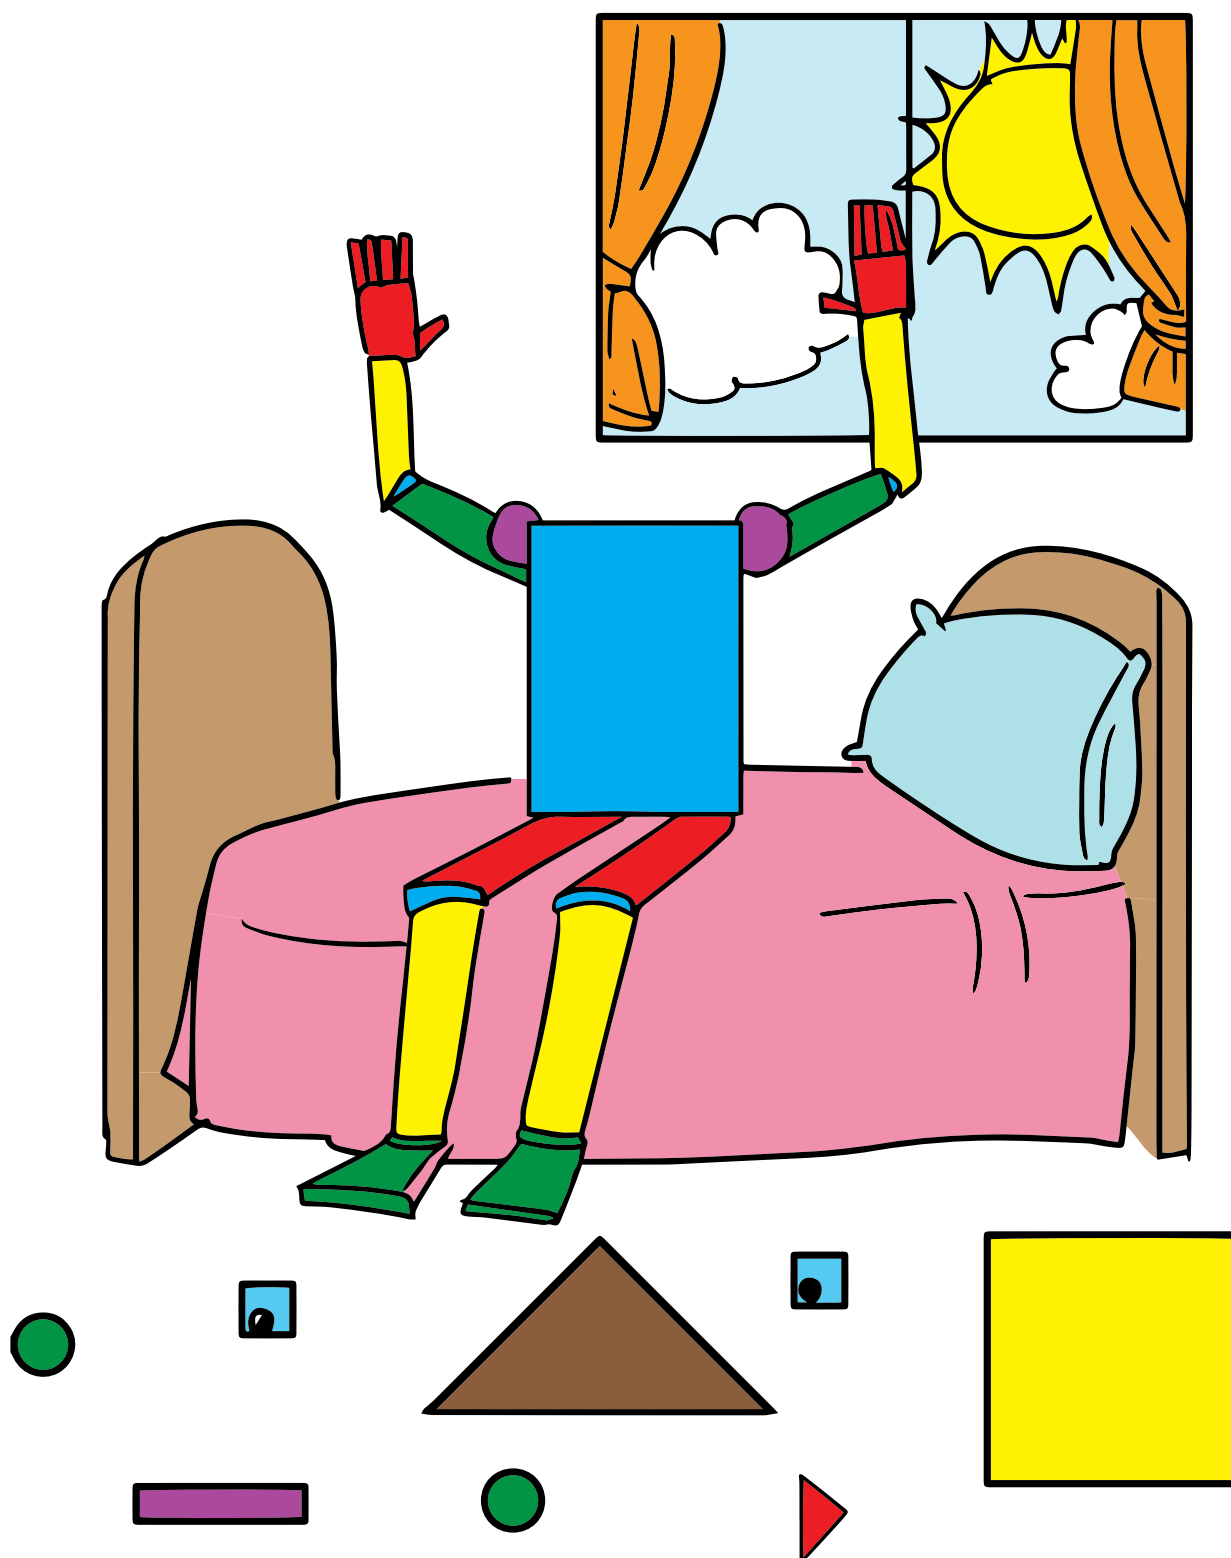

How are you?

That night ...

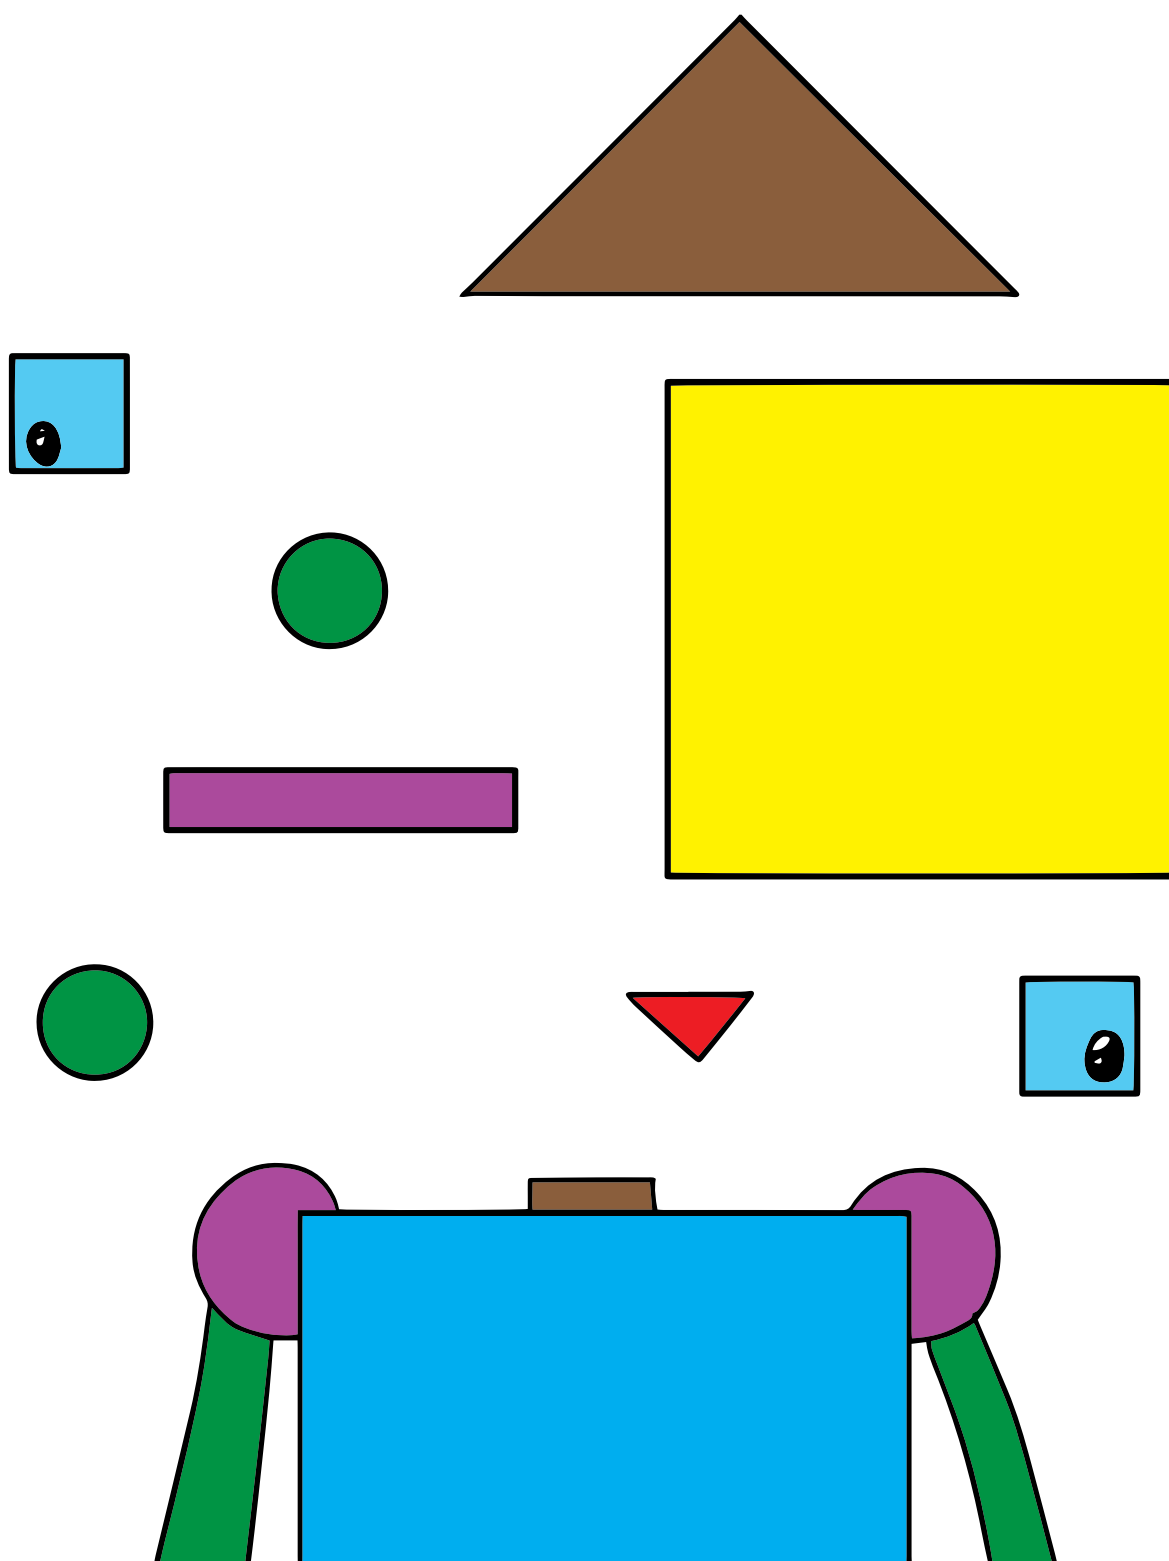

Good night, Mr. Shape Head!

Next morning ...

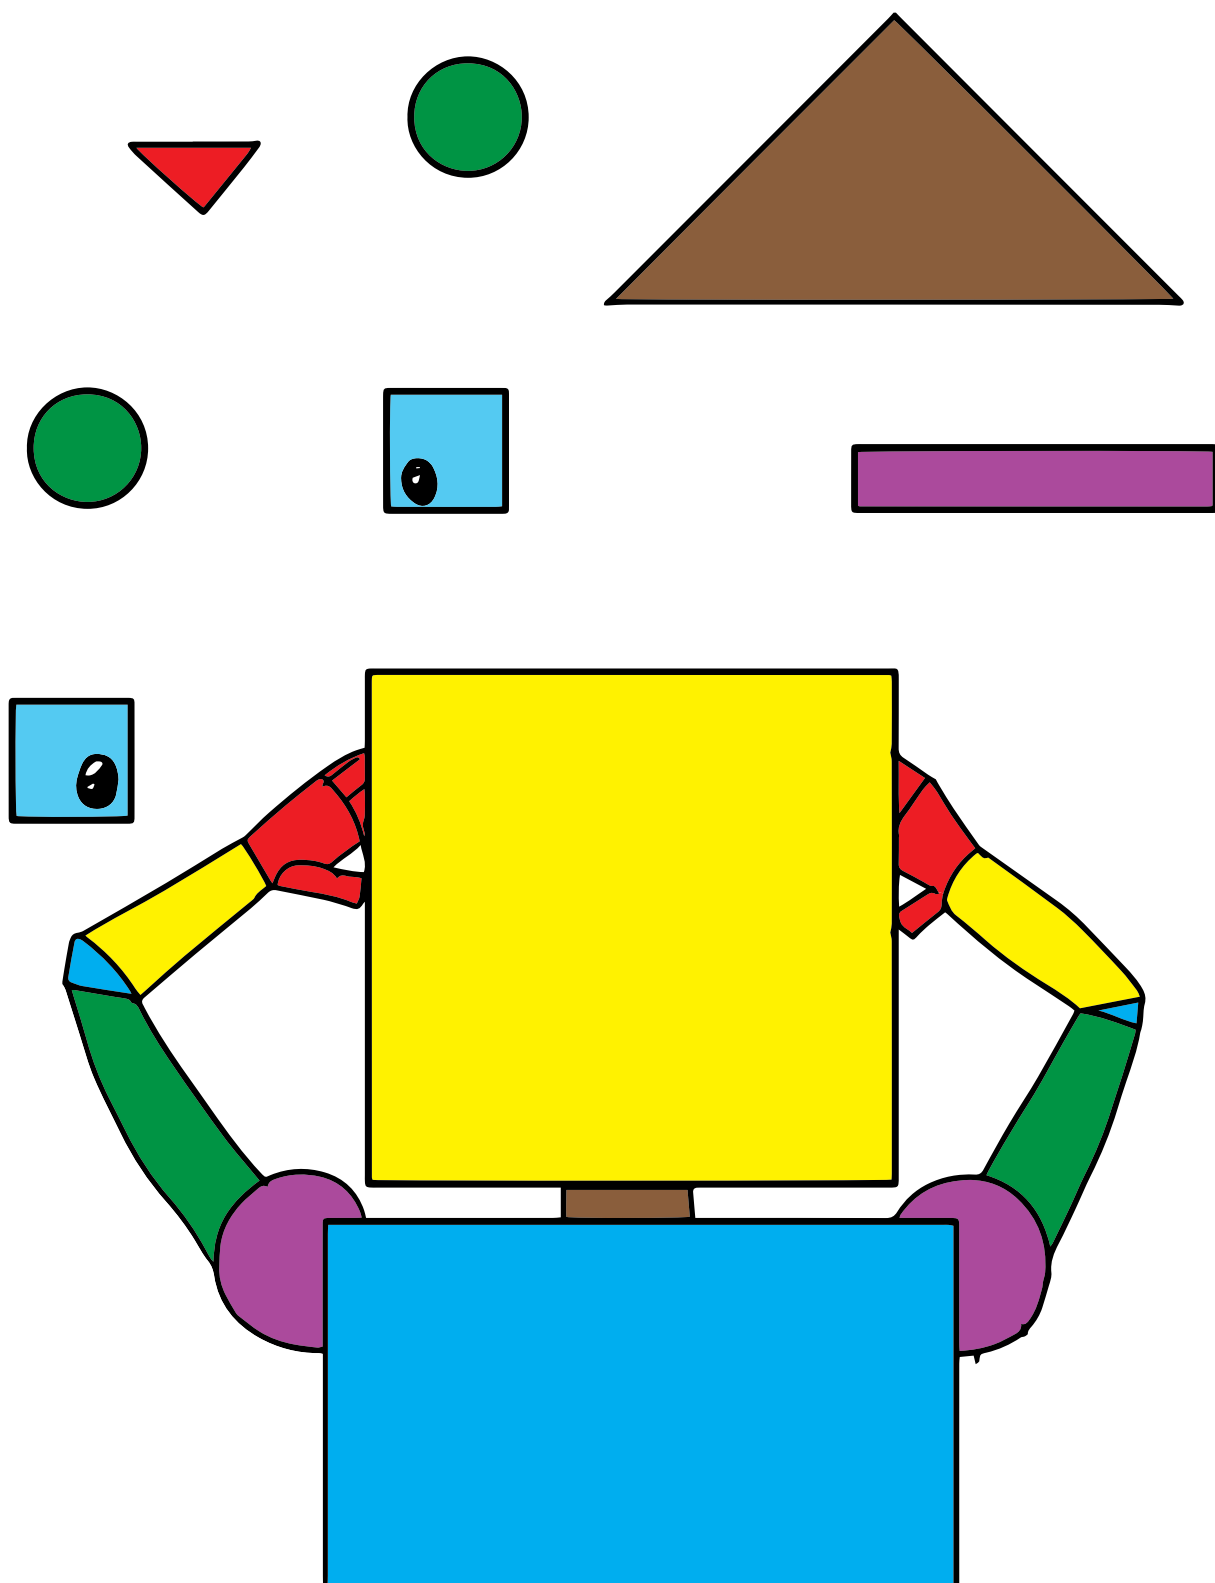

Oh no! Your head has fallen off!

Let's put your head back on.

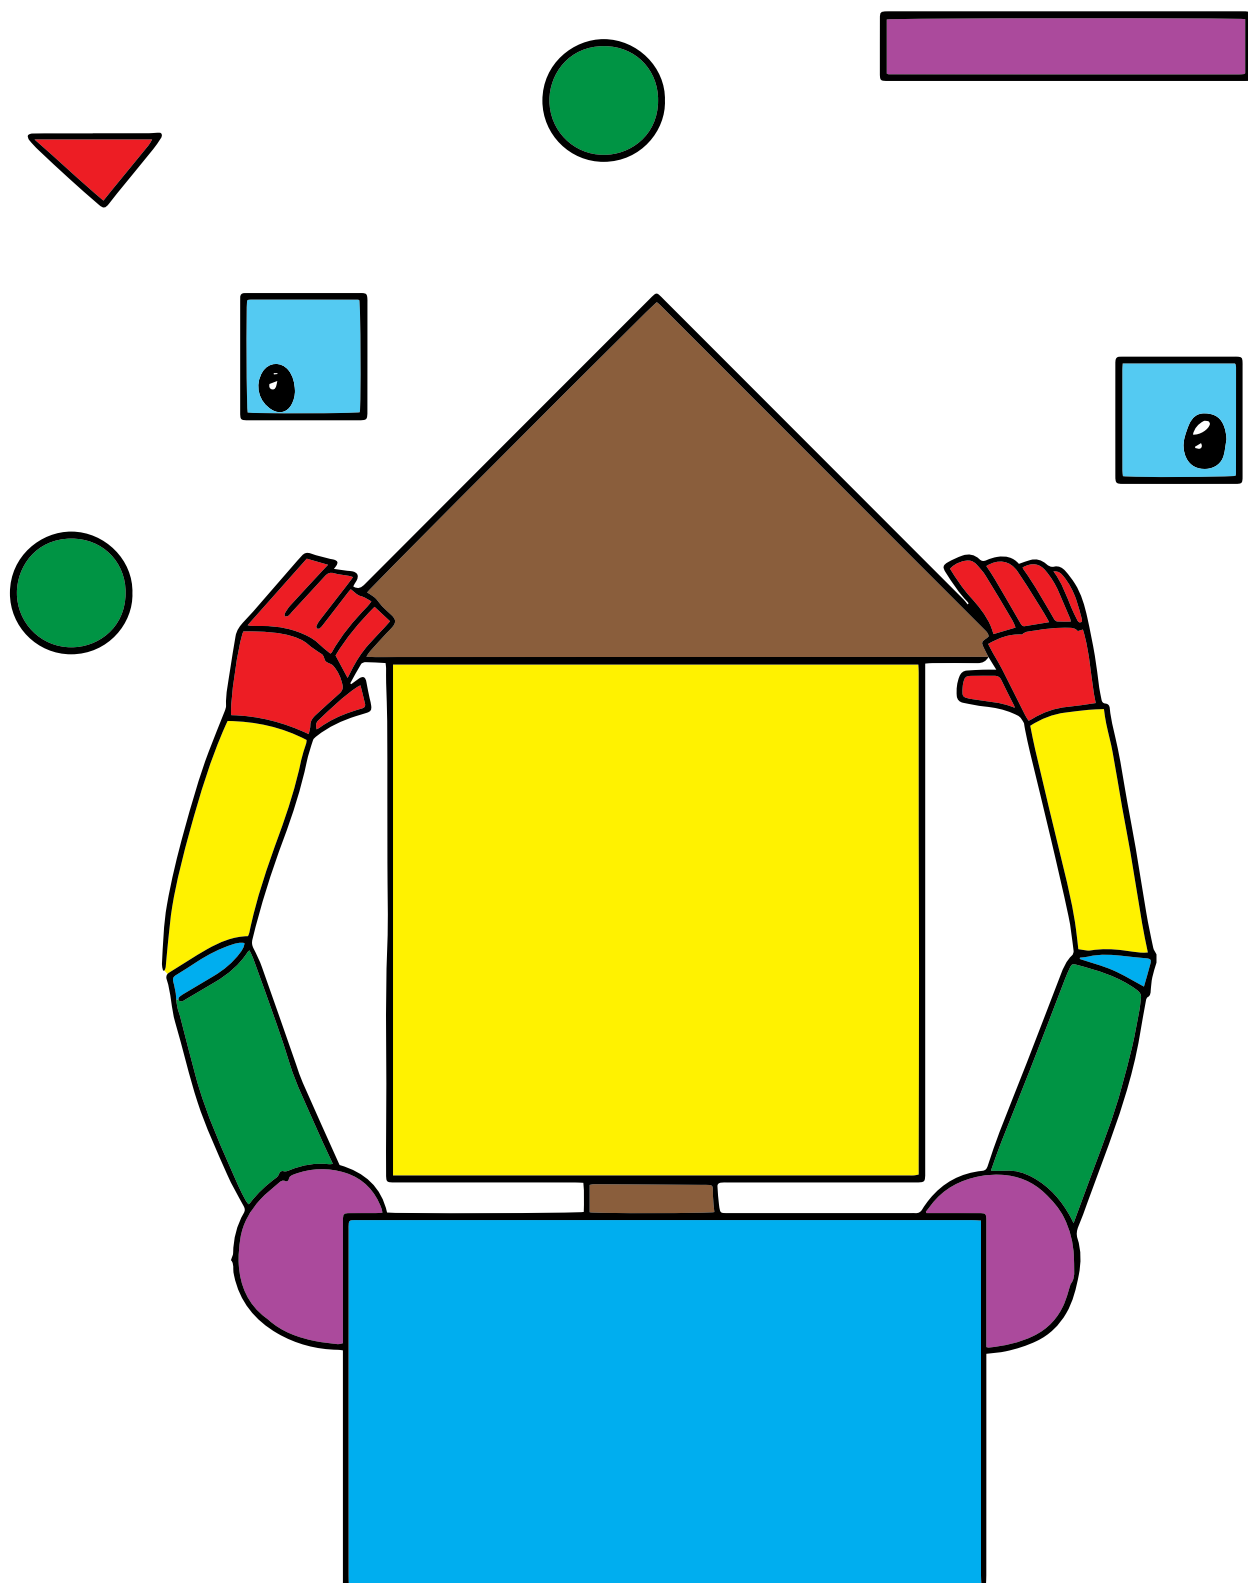

Where is your square head?

Good!

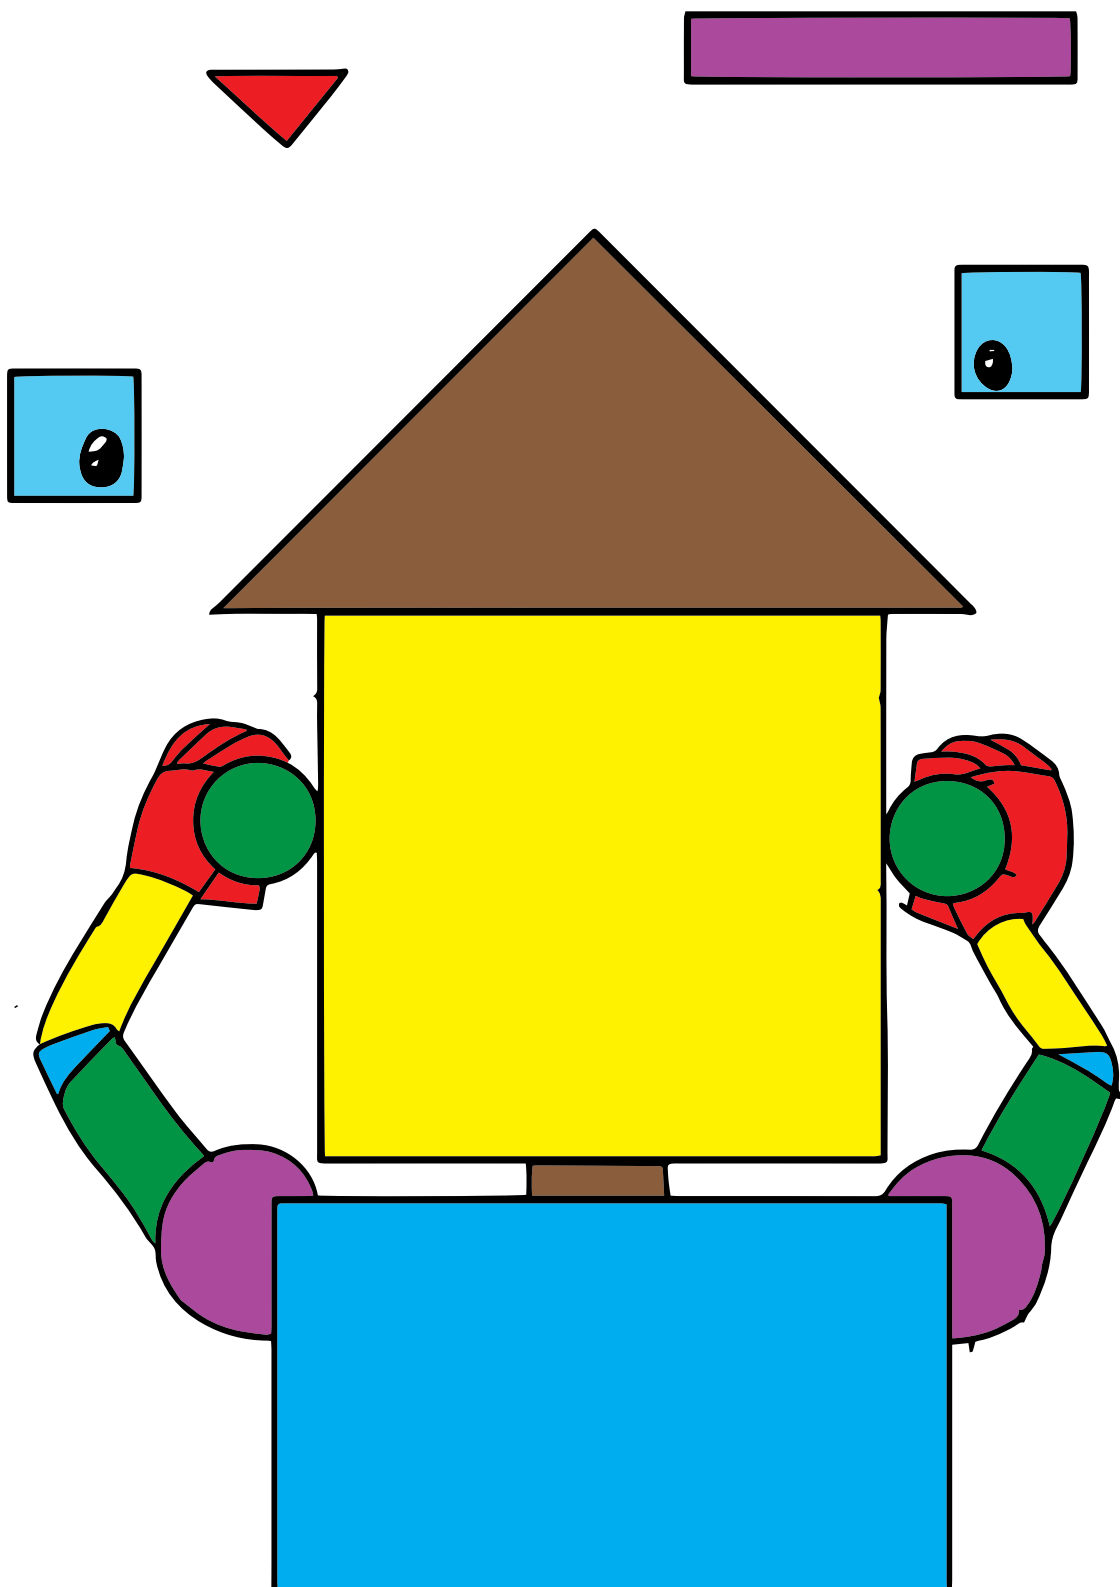

Now, where is your triangle hair?

Good!

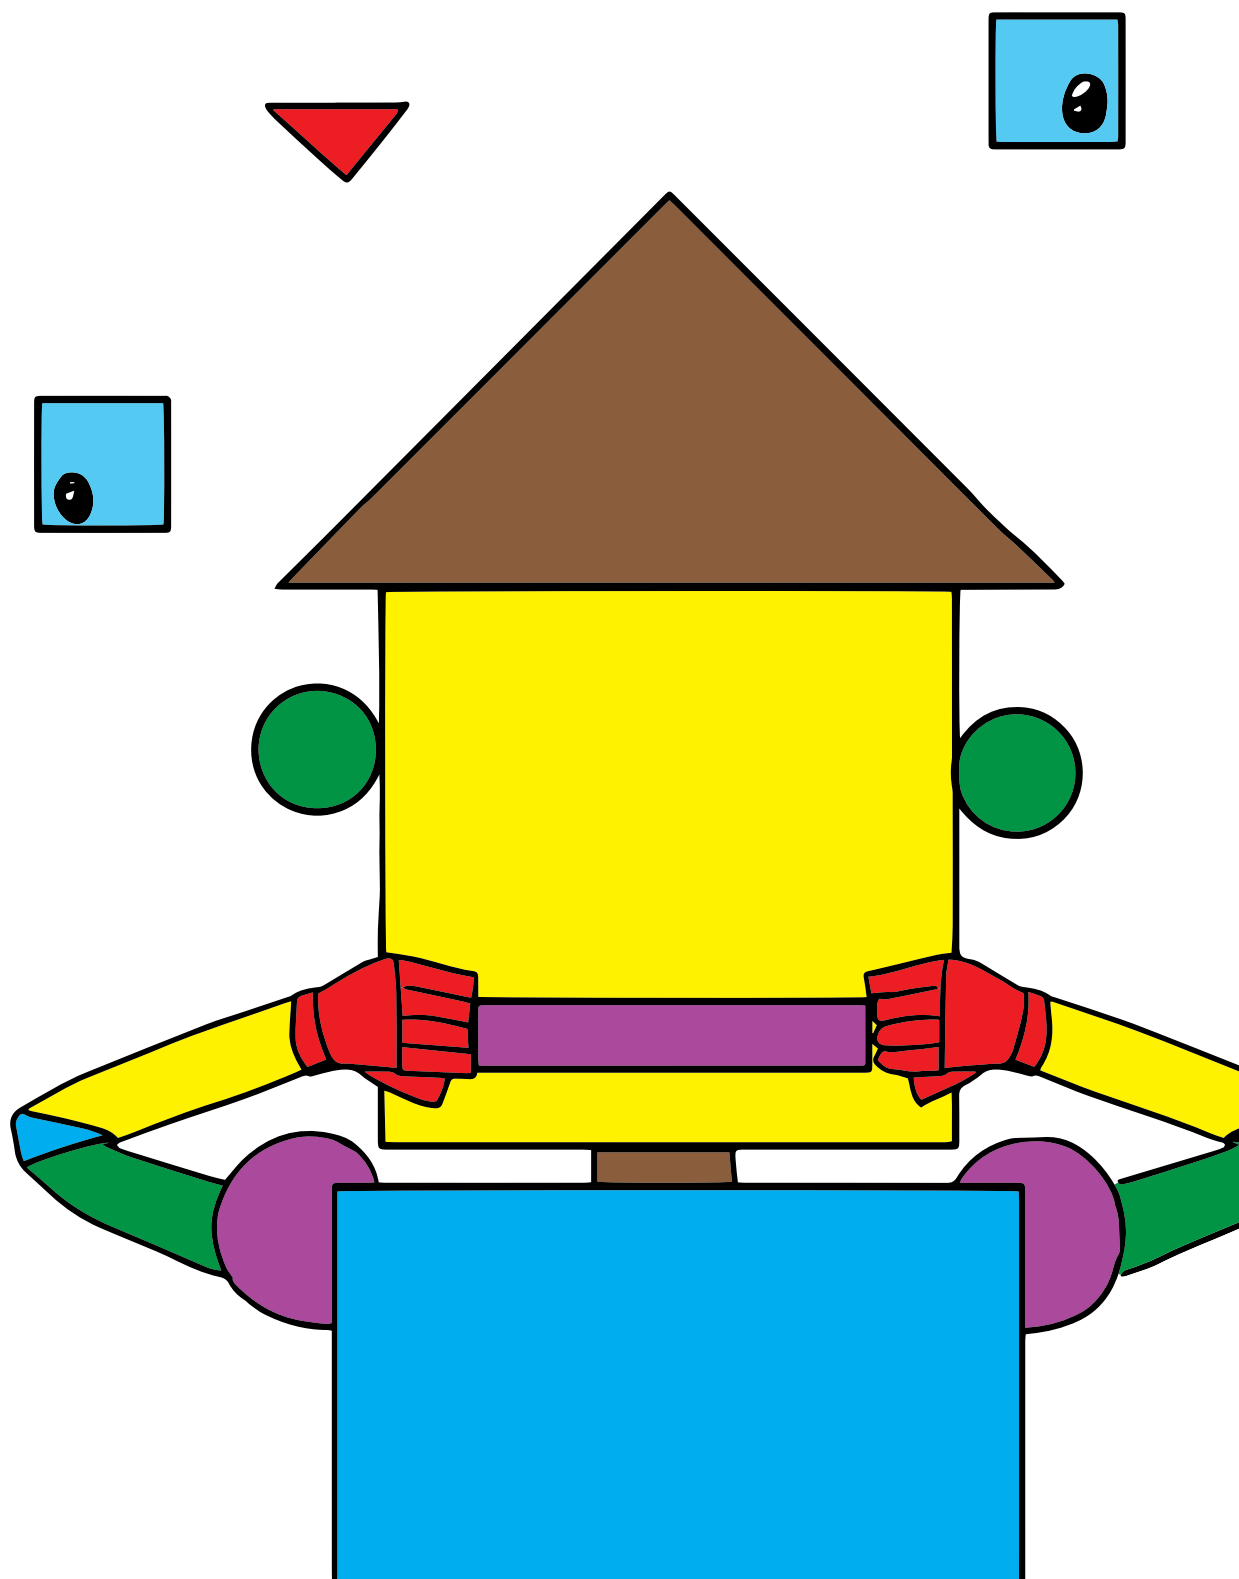

Where are your circle ears?

Good!

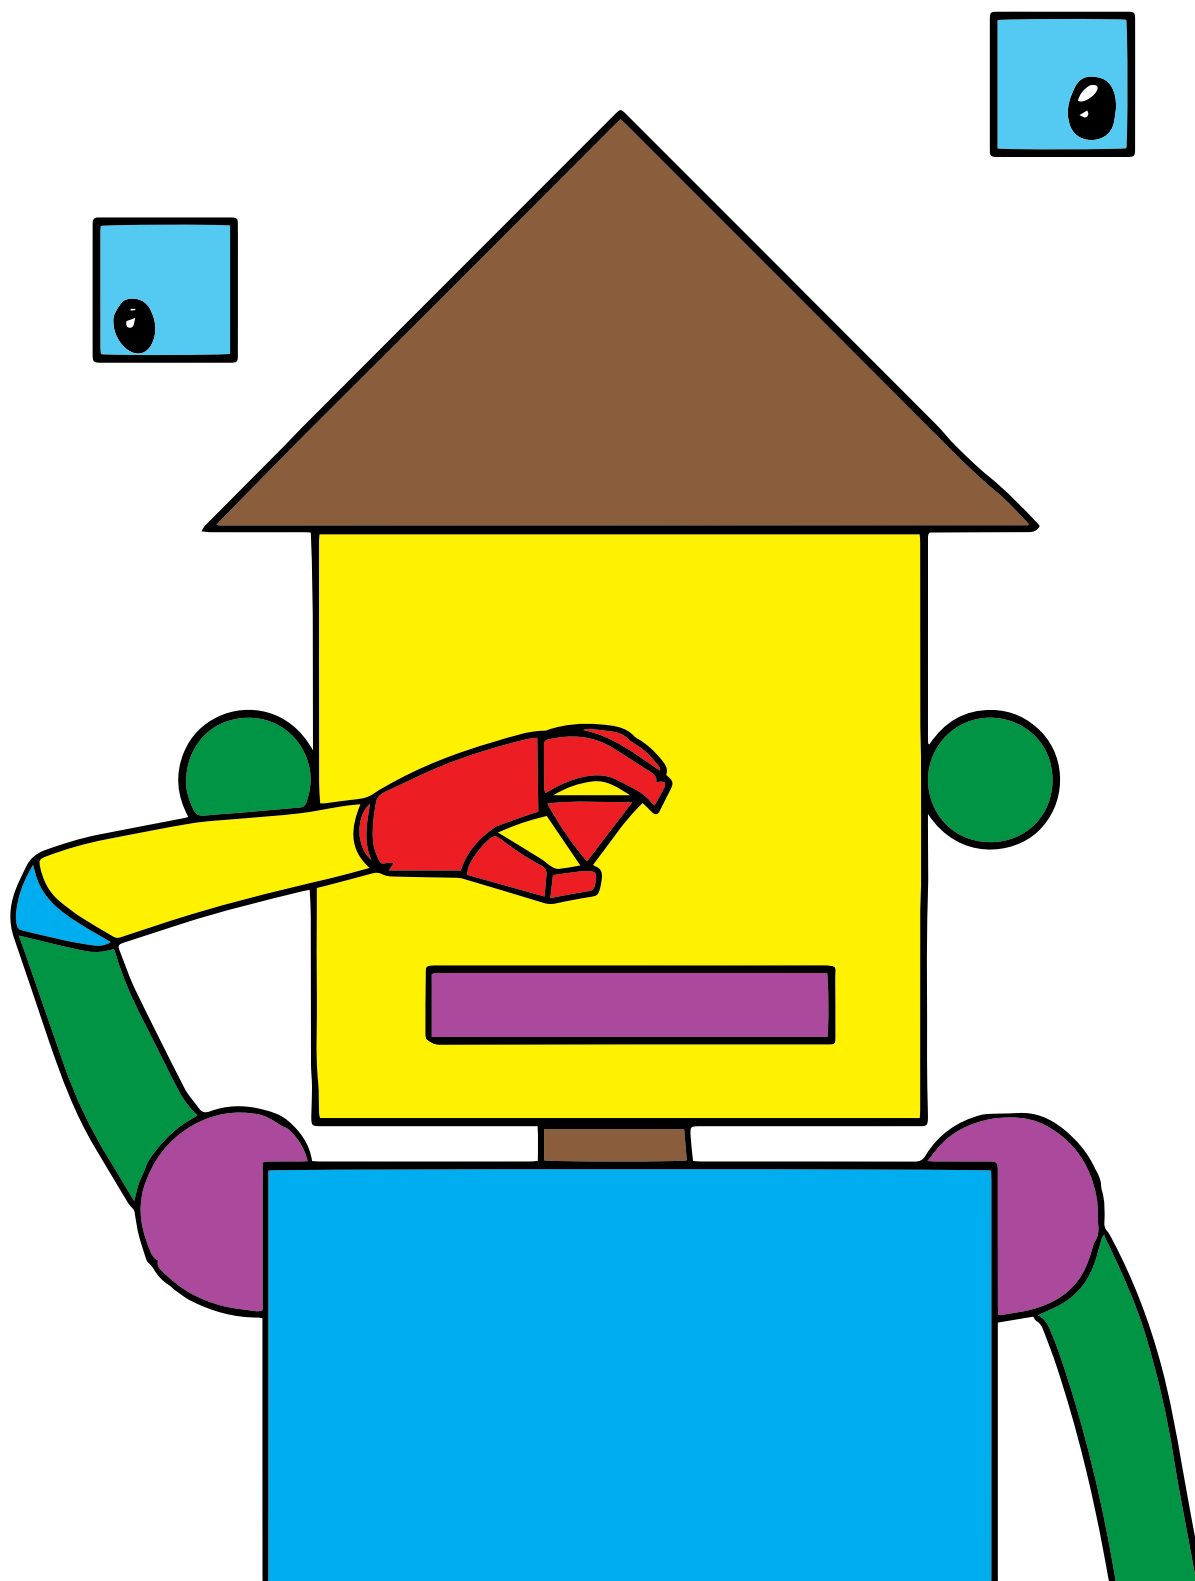

Where is your rectangle mouth?

Good!

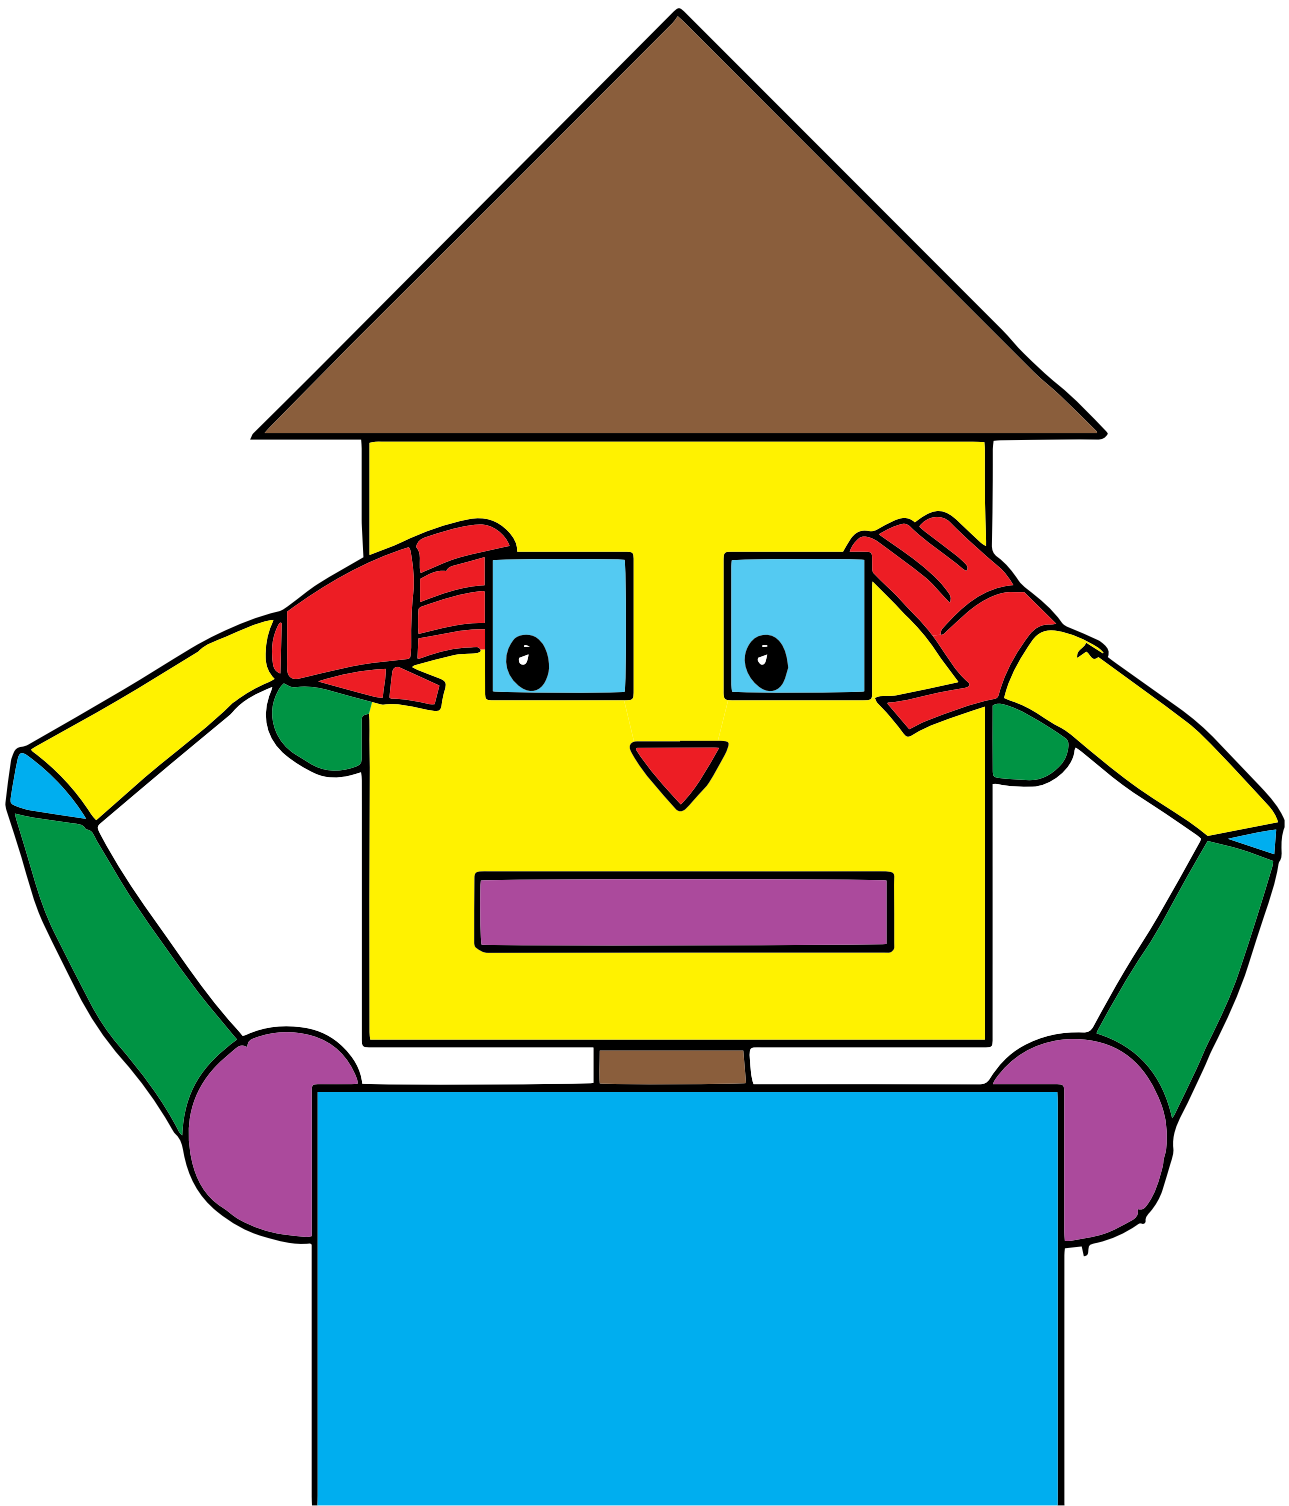

Where is your triangle nose?

Good!

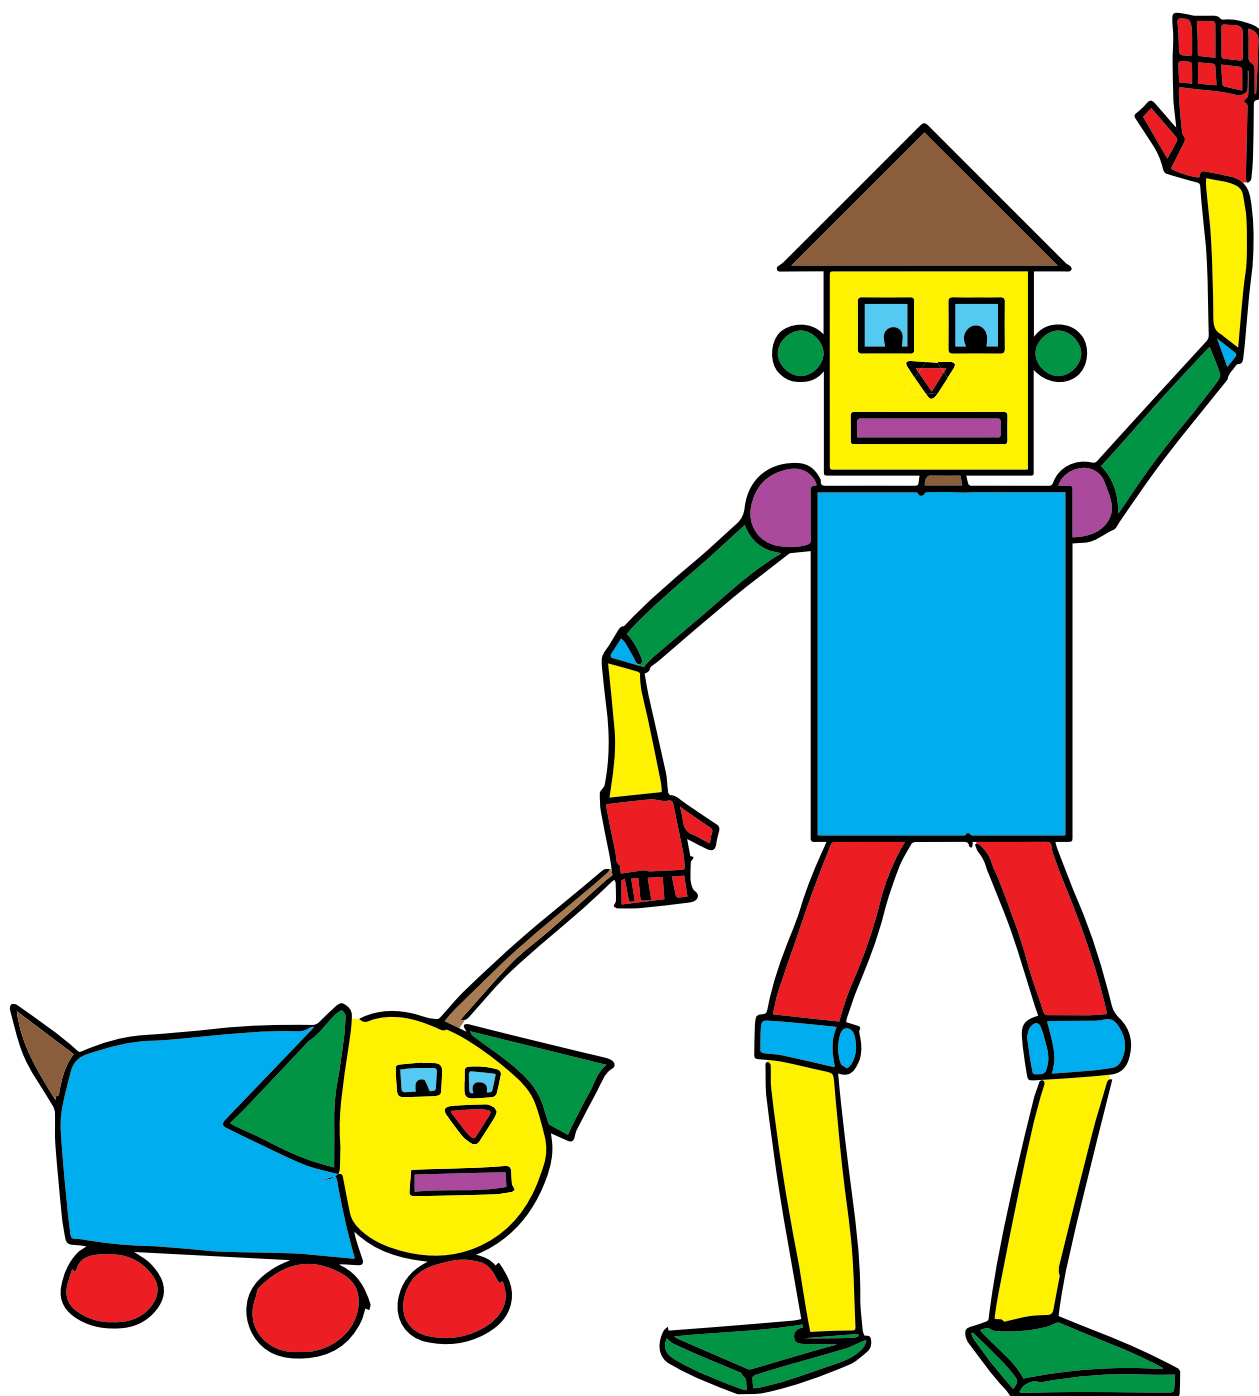

Where are your square eyes?

Great! All done!

Now you are ready to
go for a walk.

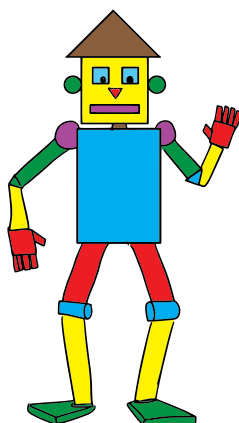

Goodbye, Mr. Shape Head!
